FOREWORD

Though time will pass, and we shall part, this book will be an unbreakable link in your chain of memories. And if, when looking through these pages, you relive the happy days at HJC for just awhile, our efforts will not have been in vain.

Thus, we present this book to you; may your hearts be lighter and your lives be happier for the memories it may bring.

ATHLETICS

RESUME OF ATHLETICS

All of us, coaches, faculty, and students of Holmes Junior College, are proud of the athletic teams that have represented the school in the past year. We are proud of them not only because of the honors they have brought their Alma Mater, but also because of the fine spirit of sportsmanship and fair play which they displayed in all their activities.

The baseball team of 1951 won state championship under the supervision of Coach Oliver Poole who made his debut in the junior college conference. After Holmes tied with Senatobia for championship of the northern district, it was decided to play one game on neutral ground to decide the winner, instead of playing a series. Holmes boys won his game played at Grenada by a score of 10-9, entitling them to meet Ellisville, champions of the southern region, in a three game play-off. Holmes defeated Ellisville two out of three, the last game by the score 5-4 at Millsaps Field to win state championship. It is singular that Robert Brown, pitcher for the Holmes boys, is credited with winning each of the eight games that his team won. With only four or five men lost by graduation last year, we are hoping for another fine season.

Coach Poole and Coach Van Stewart, both new at Holmes Junior College this year, had a successful football season, all things considered. With only five returning lettermen, the coaches had to rely heavily on the freshman material who improved and developed considerably during the season. The Bulldogs played a ten game schedule, winning five. Three of our defeats were by only six points. We shall have more lettermen to return next year, and with the new material that will come in we are looking forward to a good football season.

Coach Frank Branch's boys' basketball team enjoyed the best season in several years. Exhibiting a fine brand of ball all year, the Holmes boys played twenty-nine games during the season, losing only three in conference play. Seeded the number one team in the conference, the boys advanced through Co-Lin, Decatur, and Hinds to win state championship by defeating Scooba in the finals by the score of 67-56. Though we shall lose four fine men by graduation, we are expecting good things of next year's team.

The Holmes basketball girls have played splendidly all year. Under Coach Frank Branch's direction our team is the only one in the junior college conference to go through the season's scheduled games undefeated. Seeded the number one team in the conference, the sextette downed Ellisville, Scooba, and Wesson in order in the state tournament, but lost in the finals by one point to a taller Booneville team. Though Holmes' girls rank second in the state they are the only team to play twenty-seven games and to lose only one. Their outstanding ability is evidenced by the fact that five of the Holmes girls won All-State honors and another, All-State honorable mention. Mai Stainbrook, forward for Holmes, was the only player in the conference who received unanimous vote for All-State honors. We are expecting fine things of next year's squad.

LETTERMEN

BILLY BIGBY—Center, *All-State Honorable Mention*

Billy, one of the best rebound men in the conference, was also a reliable scorer. His constancy was a very important factor in our winning state championship this year. We will miss you, Bill.

BOBBY McPHAIL—Guard, *All-State Honorable Mention*

Mac, very smooth and dependable, was one of the best defensive men to play on our floor this year, and we played them all. He proved himself a constant threat to the opposition on both offense and defense. We are sorry to lose you, Mac.

DONALD PHILLIPS—Forward

Don was a very reliable sophomore forward and a fine team man. Outstanding on defense and on rebounds, he could be depended on to carry his share of the load at all times. Donald, we shall miss you.

MILLARD DAVIS—Center and Forward, *All-State Honorable Mention*

Millard was one of the most outstanding freshmen to wear the maroon and white in the last few years. A battler from the first whistle to the last, he was outstanding in every phase of the game. We are expecting greater things from him another year.

MELVIN GIBSON—Guard, *All-State*

"Gip," a freshman, was a spectacular guard, with a good "jump shot." He was fast, aggressive, and consistent as a scorer. He will wear the maroon and white next year.

BILLY DANIEL—Guard

"Pop" is a smooth, dependable man, noted for his long set shots and driving lay-ups. He is expected to play a lot of good ball for Holmes next year.

CHARLES REITH—Forward

"Chuck" has played some good ball this year. He improved a great deal the latter part of the season and should develop into an outstanding man next year.

BILLY BICE—Forward and Center

Although Bill did not join the squad until after football season, he came through in good style and was a great asset to the team.

ERSA STEGALL—Manager Boys' and Girls' Basketball Teams

It is hard to convey with the title of *manager* all the things Stegall did to make this basketball season a successful one. A hard-working good manager, he gave the team his whole-hearted support—win, lose, or draw. Thank you, Stegall! HJC teams will miss you next year. (Coach Frank is advertising for another man like him.)

LETTERMEN

MAI STAINBROOK—Forward, *All-State 51-52*

An All-Stater for two years, Mai has led the way to victory many times. Mai is noted for precise movements on the court and her level-headedness under the strain of a tight ball game. She was a mainstay to her team, controlling the backboards and will be missed next year.

POLLY JORDAN—Guard, *All-State*

Polly displayed speed and know-how on defense. She was a mainstay to her teammates. Her rugged determination made it hard for any offense to work effectively. Polly will be missed very much next year.

FAYE GRAHAM—Guard, *All-State*

A fast, aggressive member of the squad, Faye played a big part in the great season that the Holmes girls had. The Holmes sextet will miss her fine team spirit and guarding next year.

HERMIE PLUNK—Guard, *All-State Honorable Mention*

Hermie was equally effective on the spot or guarding out. Her consistently good defensive playing made it very difficult for even the best of forwards. She will certainly be missed next year.

PATTYE BURTON—Forward, *All-State*

Full of speed and plenty of know-how, Pattye handles that "round ball" with amazing accuracy and has an uncanny eye for the basket. Both on set shots and crip shots, she is a hazard to any guard. Pattye will be sparking the Holmes sextet next year to what we hope will be an even greater season.

GENEVA BALLARD—Forward, *All-State*

Geneva proved to be one of the most consistent players on the team. Her height enabled her to take control of the backboards and her hook shot with either left or right hand puzzled many a guard. Geneva can look forward to a great season next year.

MAIDA COLLINS—Forward

A threat against any zone, Maida was a remarkably good long shot artist. She came through to spark her teammates to victory many times. Maida was a valuable member of the Holmes team both last year and this year.

TECOAH PACE—Guard

"Jr." developed into a splendid guard. She controlled the backboard with skill and determination. She will be back next year and should make one of Holmes' outstanding players.

JIMMIE COUNTISS—Guard

Jimmie possessed determination and team spirit and was in there doing her best. Her speed and aggressiveness was a great help to the team.

GRACE PACE—Guard or Forward

Grace possessed a fine team spirit and enthusiasm. Her height gave her an advantage on the backboards. There will never be another "Grace" but Holmes could use one.
